

Port St. Lucie Athletic Association 2017 Team Sponsorship Letter

Message from our President

First of all, I want to thank you for allowing PSLAA to be a part of your children's lives. Secondly, I want to thank everyone for helping us with a wonderful 2016 season. The accomplishments of our youth participants would not be possible without the effort from parents, coaches, board members, volunteers, sponsors, and our children.

Our league has been around for over 30 years. We are the largest football and cheer organization in the county. We offer an extremely competitive recreational football and cheer league which focuses on a team mentality with our children's best interests in mind.

PSLAA will continue to focus on our children by listening and accepting feedback from all involved parties. We cannot grow as an organization if we don't listen to feedback whether it is good or bad. We are committed to providing the best facilities and environment to our families.

Things to watch for this up and coming 2017 season: scholastic educational services for our football players and cheer leaders and a parent and volunteer rule violations committee to assist PSLAA board members with any and all rule violations which may occur during practices or games.

PSLAA cannot be successful without the partnership from each family. We want to thank you and pledge our commitment to you and your family that we will do whatever's possible to make 2017 a year to remember.

Sincerely,

Charles Scavuzzo

PSLAA 2017 League President
